Interim research report	-	-	-	X	-	-	-	V	30
Interim research report	-	-	-	-	X	-	-	V	30
Total ECTS other activities									150
General total ECTS									180

Observations:

Doctoral students are evaluated using four stages of grades: “Very good” (FB); “Good” (B); “Satisfactory” (S); “Unsatisfactory” (U);

The promotion of doctoral students in the scientific research program is undertaken by defending the research project at the end of the first year, obtaining the grade: “Very good” (FB) or “Good” (B).

Dean,

Prof. Dr. eng. Lucian PETRESCU

Chair, Doctoral School of Geology,

Prof. Dr. habil. eng. Mihai Emilian POPA

*If necessary

** Course also included in the transversal offer of courses at the University of Bucharest

*** The appendix includes the list of courses and mandatory papers (depending on the choice of theme areas by admitted candidates)
